To: Faculty and Staff

Starting next week, Wofford will participate in the Higher Education Data Sharing Consortium (HEDS) Sexual Assault Campus Climate survey. The goal of this survey is to give Wofford leadership insight into our students' perceptions of Wofford's climate on unwanted sexual contact and sexual assault. We also want to know how our students think the college addresses and responds to sexual assault and if or how often they have experienced unwanted sexual contact or sexual assault. We have asked that all students participate, whether or not they have experienced unwanted sexual contact or sexual assault.

All responses will be completely anonymous. No name will not be connected in any way with responses to the survey, and any identifying information from the computer on which the student takes the survey will be removed before we receive the data.

The survey is completely voluntary and the student may choose to exit and not submit their responses at any point prior to clicking the final submit button. They also may skip any question.

We understand that it may be emotionally difficult for students to answer some of the questions on this survey. Should they wish to talk with someone further, they may access information about campus, local, and national resources for unwanted sexual contact, sexual assault, and relationship violence by clicking on the resources link at the bottom of each survey page. It will be available to them after they submit the survey as well.

I ask that you please mention the survey, and its importance, to your students. However, we want to be certain not to pressure anyone into taking this survey if they prefer not to participate.

We will use the results of the survey to inform and improve support, policies, and practices. If you have any questions, please contact [Raymond Ruff](#), Director of Institutional Research and Special Projects.

Sincerely,

Dennis M. Wiseman

To: Wofford Campus Community

We had reports yesterday from students that their textbooks had been taken from tables in Great Oaks Hall in the Roger Milliken Science Center. This is a reminder to everyone to never leave any valuables – books, computers, cell phones or other property – in public areas on campus.

We also would like to remind the campus that individuals coming on campus for the purpose of buying textbooks are not allowed to conduct this activity here. If you witnessed anyone doing that on campus recently, please contact Campus Safety to provide more details.

Call Campus Safety at 864-597-4911 to report any suspicious persons or activities on campus.

We also would like to remind and encourage everyone to enroll, update or review our emergency alert information, making certain we have your cell number so that you will receive emergency alerts through the system, called Rave. This reminder is especially important given the tragic events that occurred on the USC Columbia campus yesterday.

Rave can be accessed through MyWofford. If you have any difficulties, please contact Laura Corbin at [laura.corbin@wofford.edu](mailto:laura.corbin@wofford.edu).

Re: Request for Proposals for Quality Enhancement Plan (QEP)  
Due Feb. 27

As part of the reaffirmation process with the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), Wofford is required to implement a Quality Enhancement Plan (QEP). As described in the Core Requirements for accreditation, the college must demonstrate that:

The institution has developed a Quality Enhancement Plan that (1) demonstrates institutional capability for the initiation, implementation, and completion of the QEP; (2) includes broad-based involvement of institutional constituencies in the development and proposed implementation of the QEP; and (3) identifies goals and a plan to assess their achievement.

In an attempt to include these “broad constituencies,” the college is asking for possible QEP topics. This topic will be identified in the spring of 2015, and the team will begin planning and development the following academic year. As part of Wofford’s reaffirmation, SACSCOC and an outside reviewer will review the QEP approximately 6 weeks prior to our onsite visit in October of 2016.

These proposals should answer the Core Requirement above and use its language to aid in construction. As a resource, proposers can visit [http://sacscoc.org/inst\\_forms\\_and\\_info1.asp](http://sacscoc.org/inst_forms_and_info1.asp)—where a list of QEP topics is published.

Forward these proposals to [milesjd@wofford.edu](mailto:milesjd@wofford.edu) by Feb 27.

Best,

John Miles

Wofford College, as a recipient of federal funds, complies with Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681) and the Department of Education's implementing regulations that prohibit discrimination on the basis of sex in federally assisted education programs and activities. The regulations read, in part, "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial aid."

In addition, the U.S. Supreme Court and federal executive departments and agencies, including the Department of Education, have recognized that sexual harassment can constitute discrimination prohibited by Title IX.

Wofford College's 2014-15 Sexual Misconduct Policy is attached and is published online here: <http://www.wofford.edu/uploadedFiles/studentLife/SexualMisconductPolicy.pdf>.

**Details:** Campus Safety is excited to announce several changes to the College's parking enforcement program. These include the following parking fine update as approved by the cabinet: Improper Parking: \$30, No Permit: \$30, Parking in Reserved Spaces: \$30, Disability Space Violation: \$100, and Fire Lane Violation: \$100. In addition, Campus Safety will deploy a new ticketing system next week that will bring needed improvements in the current system. This system will allow students and employees to pay infractions online using a bank card instead of having to bring cash or checks to the Business Office or Campus Safety. Also, the system will allow officers to include pictures of the violation for the Traffic Commission to see in the case of an appeal. Those wishing to make an appeal can go to a website and request a review. These upgrades were greatly needed.

Re: Lunch Tuesday: Civic Inquiry  
by [Jessalyn Story](#) - Tuesday, 17 February 2015, 9:23 AM

I've heard from many of you that you would be taking "unreasonable risk" to get to Wofford by 11:30 today. And, even if you could, you'd be teaching 9:30 classes at 11:30. So, let's postpone today's Civic Inquiry discussion.

We'll be in touch soon with a new date. In the meantime, please make sure these other "Civic-Minded Wofford" lunches are on your calendar; and keep an eye out for coffees, as well:

Tuesday, March 24th: 11:30 - 12:45 in Gray-Jones

Thursday, April 23: 11:30 - 12:45 in Gray-Jones

Please stay safe and warm! I hope to see you soon!

**Details:** "Civic Inquiry" is defined by A Crucible Moment: College Learning & Democracy's Future as, "the practice of inquiring about the civic dimensions and public consequences of a subject of study; the exploration of the impact of choices on different constituencies and entities, including the planet; the deliberate consideration of differing points of views; and the ability to describe and analyze civic intellectual debates within one's major or areas of study." We'll discuss where and how Wofford is currently encouraging Civic Inquiry; how we might support it more intentionally; and whether, as AAC&U asserts, Civic Inquiry should be integrated within the majors and general education requirements at Wofford. Please bring your ideas, questions, critiques and appetite. We'll be in the Holcombe Room from 11:30 a.m. - 12:45 p.m. Lunch is being provided by the Center for Innovation & Learning and the Center for Global & Community Engagement. Questions? **Hey Seniors... You're It**

**Details:** Class of 2015- President Samhat has issued a challenge, and we want YOU to step up! The seniors have an incredible opportunity to make an impact with a gift to the Annual Fund. Covering expenses of everything from scholarships to library resources to the most basic of needs, the Annual Fund is essential in maintaining the Wofford we know and love. If at least 47% of the class of 2015 makes a gift to the Annual Fund (that's 178 seniors!), President Samhat will serve lunch to the entire student body at Zach's on April 23! Donors who give \$20.15- \$99 will receive a set of leather Wofford coasters, and seniors who give \$100+ will receive a set of coasters AND a Wofford sweatshirt blanket! If the class of 2015 meets this goal, all senior donors will have the chance to attend a beer and wine reception at the Samhat house in celebration of your victory! To make a gift, meet your classmates who are on the TAGS team, and see who has participated, visit <http://www.wofford.edu/youreit>. Be sure to follow us on Facebook, Twitter and Snapchat by searching "WoffordTAGS" and use the hashtag #URit2015 to let us know when you've made your gift! Are you up to the challenge?
